

[THE **PICORE FACTOR**]

In this rapidly changing world, Picore International understands your need for security services that are both exemplary and cost effective.

From guard services, to investigations, to event security management, we have the experience and expertise to deliver quality services that keep our clients safe.

[WHAT MAKES US UNIQUE]

Customer service

- Prompt resolution of all issues quickly and completely
- Cloud based invoice and scheduling system
- Flexible protocols to meet the demands of your organization

Training

- State of the art equipment for simulation exercises
- Proprietary E-Learning designed for our team of officers
- Face-to-face learning modules designed by Dr. Picore

At Picore, we want to see your business through your lens. Protecting your brand is paramount – we align our services to support your corporate vision. Together, we can design a truly “Best in Class” security program for your company.

-Dr. Dana Picore
